

NO	PRODUCT NAME	SPECIFICATION	PACKING	
1	Empty 1 L Stainless Steel Fire Extinguisher (*Pressurize with Cold Fire to 125 psi)	Out-diameter (mm): 85 Cylinder high (mm): 265 Thickness (mm): 1.0 Volume (L): 1 L Working pressure (bar): 14 Test pressure (bar): 27 Material: SUS304	30*30*36.5cm 9pc./ctn 11 kgs/ctn	
2	Empty 2 L Stainless Steel Fire Extinguisher (*Pressurize with Cold Fire to 125 psi)	Out-diameter (mm): 110 Cylinder high (mm): 330 Thickness (mm): 1.0 Volume (L): 2L Working pressure (bar): 14 Test pressure (bar): 27 Material: SUS304	37*35*25*43cm 6pc./ctn 10kgs/ctn	
3	Empty 4 L Stainless Steel Fire Extinguisher (*Pressurize with Cold Fire to 125 psi)	Out-diameter (mm): 130 Cylinder high (mm): 450 Thickness (mm): 1.0 Volume (L): 4L Working pressure (bar): 14 Test pressure (bar): 27 Material: SUS304	15*15*56cm 1 pc./ctn 2.9kgs/ctn	
4	Empty 1.5 L Stainless Steel Fire Extinguisher (*Pressurize with Cold Fire to 125 psi)	Out-diameter (mm): 160 Cylinder high (mm): 448 Thickness (mm): 1.0 Volume (L): 6 L Working pressure (bar): 14 Test pressure (bar): 27 Material: SUS304	18*18*55cm 1 pc./ctn 2.9kgs/ctn	
5	Empty 2.5 L Stainless Steel Fire Extinguisher (*Pressurize with Cold Fire to 125 psi)	Out-diameter (mm): 180 Cylinder high (mm): 610 Thickness (mm): 1.0 Volume (L): 1.0 L Working pressure (bar): 14 Test pressure (bar): 27 Material: SUS304	20*20*72.5cm 1 pc./ctn 4.7kgs/ctn	
6	Empty 12 L Stainless Steel Fire Extinguisher (*Pressurize with Cold Fire to 150 psi)	Out-diameter (mm): 367 Cylinder high (mm): 266 Thickness (mm): 1.0 Volume (L): 12L Working pressure (bar): 14 Test pressure (bar): 27 Material: SUS304	38*38*37.5cm 1 pc./ctn 4.5kgs/ctn	

ADDITIONAL TECHNICAL INFORMATION

- All extinguisher cylinders are CE rated water extinguishers for Class A & B fires.
- Cold Fire is a UL listed Wetting Agent for Class A & B fires.
- Extinguishers can be sold separately and/or purchased filled with:
 - Cold Fire, fire extinguishing agent at a 10% solution
 - Cold Fire All Season Blend at full concentrate
- Cold Fire and Cold Fire All Season concentrate is available for purchase to fill/re-fill these units.
- Please contact us directly for specific filling/re-filling instructions based on the unit size purchased.

Disclaimer: Components of the extinguisher units are rated separately; not in combination. The extinguishers are CE rated for Class A & B and the contents, Cold Fire, is UL listed as a Wetting Agent for Class A & B fires.
